### \*About Labs and Simulation

Qualifying out of state students will attend in-person labs and simulations at the Joyce Johnson Center of Simulation in the Draper, Utah campus. These will generally occur over several consecutive days during the 3rd, 4th, and 5th semesters. Dates and times are determined during registration.

**Lodging, airfare, transportation, and meals are included in the cost of attendance for required travel for labs and simulation and may be paid for with proceeds from Financial Aid awards. Students should consult with their Financial Aid Advisor for specific costs and additional questions. This offering is available to qualifying out of state students enrolling in January 2023 and later.**
