

BSN (3 years) for Distance Learners

Joyce University nursing programs are known for their speed to completion and quality. Our 3-year Bachelor of Science in Nursing (BSN) program is no different! You will gain the education and skills needed to pass the NCLEX exam and start your career as a registered nurse in as little as 3 years of year round instruction.

About Labs and Simulation

Distance learners will attend in-person labs and simulations at the Joyce Johnson Center of Simulation in the Draper, Utah campus. These will generally occur over several consecutive days during the 4th, 6th, and 7th semesters. Dates and times are determined during registration.

Lodging, airfare, transportation, and meals may be included in the cost of attendance for required travel for labs and simulation and can be paid for with excess proceeds from Financial Aid awards and private student loans. Students should consult with their Financial Aid Advisor for specific costs and additional questions.
